

# Chalk River/Deep River Biking Trail

The Chalk River/Deep River Biking Trail is a combination of dirt road, gravel and paved road. The Baggs Rd to Deep River section is rough and the section along the snowmobile trail could get bad with a lots of small boulder, and occasional mud pits depending on the time of year.

Part of this trail is used for snowmobiling during winter.

## Activities

Length:  
30 km

Difficulty:  
● ●

Beginners: 3.5 hrs  
Intermediate: 2 hrs  
Advanced: 2 hrs
