

Chalk River/Deep River Biking Trail

The Chalk River/Deep River Biking Trail is a combination of dirt road, gravel and paved road. The Baggs Rd to Deep River section is rough and the section along the snowmobile trail could get nasty with a lots of small boulder, and occasional mud pits depending on the time of year.

Part of this trail is used for snowmobiling during winter.

Pavement: 17 km
Gravel: 9.5 km
Trail: 4 km
